Beloved Friends:

All during this current month (April 15th to May 14th) the radiation of the Flame of Peace and Comfort from My Retreat in Ceylon is flooding the planet Earth, encompassing and interpenetrating every expression of life evolving thereon.

Comfort and Peace are essential to the spiritual growth of all life from the smallest elemental to the greatest of Beings still evolving on the higher planes of existence. Likewise, it is within the scope and nature of all life, and this extends to the so-called 'inanimate' expressions, to radiate forth a feeling of peace and comfort. Have you ever sat on a grassy bank on a warm summer day, resting your back against a friendly tree and felt its strength and peace flow into you? Consider the peace and comfort experienced in the contemplation of a beautiful pastoral scene or in a flock of sheep or a herd of cows grazing peacefully in the green meadow!

How much greater then should be the peace and comfort radiating from a self-conscious representative of the Holy Spirit - such as yourselves. When man replaces the selfish emanation of the human consciousness with the peace of the Holy Comforter, truly will the Kingdom of Heaven be made manifest on Earth.

This week, I have pleasure in presenting for

your edification and contemplation Our Beloved Kuthumi's Report on the activities of the Comfort Flame on the occasion of the recent Transmission activities.

Blessings and Love,

MAHA CHOHAN

Beloved Kuthumi's Report from the Maha Chohan's Retreat - April 21, 1956

Beloved Friends:

Turning our attention, tonight, to the great and beautiful amphitheatre over Asia, which is in the form of a magnificent Pink Heart created by the Builders of Form after the pattern of the Thought-form of the year, you will see the four Beings who represent the activity of Divine Love - Beloved Archangel Chamuel and Charity, the Beloved Venetian and Blessed Nada - standing at the four cardinal points of this great amphitheatre which is as large, I would say, as the continent of Asia. Later in the evening, as the activity expands, it will cover Australia, the Pacific Islands and the entire Western Hemisphere as well.

Into this Retreat tonight come all that require comfort - and who is there that does not! Into it are coming the members who were released from the compound. Into it are coming all the discarnates who are working out their salvation in the various Temples, including the Ascension Temples and others. Into it, in lovely pink

litters, are being carried those who are sleeping yet after having passed through so-called death; and into it, in a specific group, are coming all those souls who applied to the Lords of Karma for embodiment and who will take their vow before the Beloved Mother Mary in May and endeavor to secure an Earth body.

There is a special place reserved in the atmosphere above the amphitheatre for elemental beings, and many, many members of the kingdom of Nature - the salamanders, the sylphs, the undines and the gnomes are gathered here, for God knows that these beings certainly do need comfort!

The Ascended Masters are all seated within the beautiful Flame Room of Our Lord, the Maha Chohan. I will try to describe that room to you if you care to come and stand with Me at the door.

Beloved Maha Chohan and Pallas Athena (officiating together) are both in garments of beautiful delicate pink. Tonight, the Maha Chohan is wearing a cape (which He very seldom does) over His long pink tunic, extending back in a train to about twelve feet. He stands to the left of the altar - the Beloved Pallas Athena to the right. She looks beautiful in Her pink robes and is wearing a cape similar to that worn by the Lord Maha Chohan. Her hair is piled high, Grecian fashion, with small pink flowers something like your forget-me-nots woven through it.

The altar is very beautiful in this Flame Room. The room itself is done entirely in pink, with the walls panelled in gold that come to a point at the top something like the beautiful

Gothic stained-glass windows that you so often see in your churches. There are three panels on either side of this room and one over the door at which we are standing. In each of these panels is pictured one of the Chohans done in embossed gold with jewels for the eyes and hair, and underneath is His Name in golden script - that is, El Morya; Paul, the Venetian; Myself; and so on. Saint Germain is pictured on the panel over the door. He is shown standing, looking down over the room towards the altar.

The chairs are all done in deep pink, and you will notice that they have arm rests. They are covered with a velvet-like substance; and the frames look somewhat like mother-of-pearl. The entire room is carpeted right to the walls in pale pink. The Maha Sahib is very sensitive to sound and in every Retreat where His Activity is focused He has some sort of sound-proofing so that there is nothing to jar the vibratory action of the services in which He is engaged. The seats are arranged on either side of a central aisle and down that aisle, over the carpeting, runs a strip of magnificent leaf gold which forms the panel over which the Masters walk to take Their places.

The altar, of course, is raised, and the beautiful Chalice in which the Comfort Flame is held stands in the center. On this exquisite vessel of delicate ivory countless small doves are finely carved, seeming to cluster all around the tip or fringe of the cup. The Flame of Comfort and Peace is now rising from this beautiful receptacle with both Pallas Athena and the Maha Chohan pouring Their radiation into It from either side.

At the actual commencement of the ceremony, these two great Beings will rise and meet within the Flame which will then ascend to the amphitheatre where it will begin to expand its activity of Divine Comfort - first to all gathered here and then to the entire planet.

At approximately 9:20 this evening, the Beloved Maha Chohan and Pallas Athena will release for every lifestream on the planet and all belonging to this evolution a thought-form of a beautiful white dove which will enter into and abide within the soul of each lifestream. So, as you finish your breathing exercise and remain in the Heart of the Silence for a moment, you may visualize those beautiful doves expanding outward, each one finally coming to rest in someone's soul. There are also tiny doves, some no larger than the head of a pin, created by order of the Maha Chohan Himself, to fit into the hearts of the smallest undines and the tiniest sylphs, salamanders and gnomes. There are also doves of tremendous size, some with a wingspread of from fifteen to twenty feet, to fit into the hearts of the great Devas. Even the Elohim themselves get a gift of one of these doves tonight because this cosmic service not only includes human and elemental life, but includes a blessing from the Holy Spirit to all life from Cosmic Heights down to the smallest elemental who has been instrumental in setting Beloved Sanat Kumara free and who desires to bring Comfort to this Earth.

For the animal kingdom, the Maha Chohan - instead of the dove - designed a white cup much in the form of a lily-of-the-valley, and that cup will go into the heart of every breathing

animal tonight to give comfort to that life wherever it may be on this planet.

Now, beloved ones, as you take your places for the breathing ceremony, let Me remind you that every Master seated within the Flame Room is a Specialist in some activity of life. Think of the Beloved Jesus alone and the capacity He has had through the ages to comfort life. All those great Beings, as They draw in the Flame of Comfort, charge it with Their cosmic momentum of whatever quality They have specialized in and then breathe that out to bless all life.

The Maha Chohan wishes Me to remind you of the value of the quality of Constancy. There is great comfort in the constancy of your association one with another; constancy of friendship; constancy of purpose; constancy of emotional reaction; constancy of health; constancy in the flow of your money supply; constancy in your spiritual ritual. We can promise you, in turn, that the Master is always waiting - constant - for each unascended being, no matter what the karma or the impurity of the outer self. CONSTANT that Master waits "beside the tideless shore of Life's Eternal Sea" - waiting for you, blessed, beloved children, to come once more into Our Presence and Our Hearts. God bless you, beloved friends.
